

The Michael McMahon Memorial Shield

Buxton Junior Football Club

(A) Tournament Format

- 1) Each tournament will consist of the same 10 teams split into two smaller groups of 5 teams which will be allocated into Group A and Group B.
- 2) The Group Stage will consist of each team playing four 12-minute fixtures against the other teams in their respective groups. Subject to timing schedules and weather this may be reduced to 10 minutes at the discretion of the tournament management.
- 3) Turnaround between Group fixtures will be 3-minutes and we would ask for all managers to be ready with their teams for the kick-off times to help the tournament run as smooth as possible.
- 4) Once the group stage is complete each team will have a further single 15-minute Final Play-Off fixture to determine their final standing.
- 5) The Final Play-Off fixture will see teams matched against their corresponding counterparts from the opposing group i.e. 1st vs 1st, 2nd vs 2nd etc.

Final thoughts

This is intended to be a fun-day out for all and this year there are over 190 boys and girls involved in what is our biggest Tournament to date. It's taken a lot of hard work organising it so let's remember what, why and who were doing this for, take a minute during the day to remember young Michael and let's make this tournament the best one yet.
